REQUEST FOR QUALIFICATIONS (“RFQ”)
FOR CONTRACTOR ACCESS TO THE RESIDENTIAL SOLAR INVESTMENT
PROGRAM LOW-TO-MODERATE INCOME INCENTIVE

I. PURPOSE

The Connecticut Green Bank (“Green Bank”) seeks proposals from Residential Solar Investment Program (RSIP)-qualified contractors¹ (“LMI Incentive Contractors”) interested in accessing the RSIP’s low-to-moderate income incentive on behalf of their eligible customers.

II. GREEN BANK BACKGROUND

The Green Bank was established by Connecticut’s General Assembly on July 1, 2011 through Public Act 11-80 as a quasi-public agency that supersedes the former Connecticut Clean Energy Fund (“CCEF”). The Green Bank’s mission is to help ensure Connecticut’s energy security and community prosperity by realizing its environmental and economic opportunities through clean energy finance and investments. As the nation’s first state green bank, the Green Bank leverages public and private funds to drive investment and scale up clean energy deployment in Connecticut through a variety of tools including bonding, public-private partnerships, and credit enhancements such as loan loss reserves, timeliness reserves, subordinated debt, loan guarantees and others. For more information about the Green Bank, please visit www.ctgreenbank.com or review the Green Bank’s 2017-2018 Comprehensive Plan and Comprehensive Annual Financial Report.

III. RESIDENTIAL PROGRAM BACKGROUND

Residential solar photovoltaic (PV) installation activity in Connecticut is incentivized by the state’s Residential Solar Investment Program (“RSIP”).

a. Overview of the RSIP

The RSIP is a solar PV incentive program managed directly by the Green Bank. In this capacity, the Green Bank sets solar PV contractor eligibility criteria, qualifies eligible installers, and supports and manages communications and compliance with regards to installer performance under the RSIP. For more information about the RSIP, including current and past incentive levels and granular data on the program’s performance to date, please visit: http://www.energizect.com/gosolar.²

² Click on the “Incentives” tab and scroll to the bottom of the page to access program data under the sub-heading “Your Connecticut Neighbors Are Going Solar” and incentive history under the sub-heading “Residential Solar Investment Program Incentive History.”
IV. LOW-TO-MODERATE INCOME INCENTIVES

Given the priority of expanding residential solar PV in Connecticut into the low-to-moderate income market segments, and to attempt to ensure that the 300 MW policy target provides an opportunity to reach all household income levels in the state, we have published a LMI schedule of incentives for Step 11; Steps 12 and 13 are to be determined (see Table 1). Households must be at or below 100% of Area Median Income (AMI) to be eligible for the LMI incentive. For additional background information and analysis of the Connecticut low income residential market, you may review the Green Bank’s Board of Directors Memos “Market Analysis of Residential Solar Deployment and Housing Characteristics of CT’s Low Income Sector” and “Residential Solar Investment Program – Steps 11 through 13.”

Note: Up to 10 kW (depending on previous 12 month utility electricity consumption) and greater than previous 12 month utility electricity consumption up to 20 kW:

The Step 11 PBI LMI incentive levels are 12% less than Step 5 levels, and are to be determined for Steps 12 and 13. This incentive level is a little more than twice the non-LMI incentive for the PBI at Step 11.

4.5 MW of incentives shall be provided through the LMI “Race to the Rooftop” incentives, as currently approved by the Green Bank’s Board, however the Board has stated their support for the LMI sector and their willingness to expand this carve-out should demand warrant it.

As part of the LMI Incentive Program, the Green Bank will provide qualified LMI Incentive Contractors with program resources including an overview of the LMI incentive program in presentation format, data that identifies area median income (AMI) levels for Connecticut towns and procedures for income verification documentation, PowerClerk application, Green Bank approval, data reporting and audit requirements. See the LMI Incentive section on the RSIP contractor portal for LMI Incentive Program documentation, inclusive of this RFQ.

V. SCOPE OF SERVICES

• Through this RFQ, the Green Bank is seeking to qualify a limited number of Residential Solar Investment Program-eligible contractors to be eligible to access the low-to-moderate income incentive as part of their solar project proposal and pricing. Approved contractors must commit to:
  o Marketing and/or outreach plans for this hard to reach market segment;
  o Specific pricing for this target market taking advantage of the LMI incentive; and
  o Adherence to all LMI incentive processes.

VI. REQUIREMENTS

1. PROPOSAL PROCESS

Each prospective low-to-moderate incentive-eligible contractor should carefully examine this RFQ and any and all amendments, exhibits, revisions, and other data and materials provided with respect to this RFQ process. Potential LMI Incentive Contractors should familiarize themselves with all proposal requirements prior to submitting their proposal. Should a potential LMI Incentive Contractor note any discrepancies, require clarifications, wish to request interpretations, or have any other questions, the potential LMI Incentive Contractor should submit a written request to Madeline Priest, Manager of Residential Programs, via email: madeline.priest@ctgreenbank.com. The Green Bank will respond to such written requests in kind and may, if it so determines, disseminate such written responses to other prospective LMI Incentive Contractors.

Thereafter, if a potential LMI Incentive Contractor is interested in submitting a proposal, the following requirements must be observed:

a. Proposals should be submitted electronically to Madeline Priest via email at: madeline.priest@ctgreenbank.com. The subject line should read: “Response to LMI Incentive Contractor RFQ”.

b. Respondents may be required to interview with Green Bank staff if deemed necessary.

c. The Green Bank will approve LMI Incentive Contractors on a rolling basis.

2. PROPOSAL FORMAT

The following format should be followed in order to provide the Green Bank with a working basis on which to compare one proposal with another. Each of the elements within this outline is expected to be addressed in any submitted proposal. However, additions may be made where necessary for purposes of clarification or amplification. Please limit proposals to no more than 5 pages.

a. PROPOSAL BODY

i. Briefly discuss your firm’s experience in selling residential solar to the low-to-moderate income market, with attention paid to specific insight into, or experience participating in the Connecticut market as applicable. Regardless of past Connecticut experience, describe your firm’s ability to generate
volume in this target demographic and how you would plan to accelerate residential solar deployment to this population in the Connecticut market. Provide firm origination targets for your proposal.

ii. Summarize your proposal.

   a. What financing product(s) that utilize this LMI incentive are you planning to offer, and what are their key terms?

   b. Specifically, which market segments are you planning to serve? Please provide a thorough marketing and outreach plan that describes how you plan to address customer acquisition for this segment(s).

   c. What is your expectation of volume in the 2017-2018 timeframe?

iii. Provide any models or quantitative analyses necessary to support the narrative articulated in response to subsection (ii). Clearly state all material assumptions.

iv. Provide a project organization and management description that describes the unique capabilities of your firm and the individuals assigned to managing a LMI Incentive acquisition program in response to this RFQ.

v. Discuss fully any conflicts of interest, actual or perceived, which might arise in connection with your firm's involvement with the Green Bank. If conflicts do or might exist, describe how your firm would resolve them.

vi. Describe any litigation, pending judgments, etc., which could affect your ability to enter into an agreement with the Green Bank, including a description of the circumstances involved in any defaults by the potential LMI Incentive Contractor. If your firm has been subjected to any outside audits in the past three years, state by whom the audit was performed, for whom, the facility involved, and the results of the audit.

Include in the proposal any other information you may deem relevant or helpful in the Green Bank's evaluation of your firm's proposal.

b. REFERENCES: List two to three partners for reference. Please include the name, telephone numbers, and physical and e-mail addresses of a contact person at each reference.

VII. GENERAL TERMS AND CONDITIONS

If LMI Incentive Contractor elects to respond to this RFQ, submission of your proposal constitutes acknowledgement of the acceptance of the following terms, conditions and understandings:

1. LMI Incentive Contractor agrees to abide by all the terms and requirements of the LMI Incentive Program as put forth in this RFQ and any subsequent, updated versions of this RFQ, plus all additional LMI Incentive Program Documentation and Tools provided on the RSIP Contractor Portal.

2. The Green Bank reserves the right to accept or reject any or all of the proposals received in response to the RFQ, to waive irregularities, or to cancel or modify the RFQ in any way and
at any time the Green Bank chooses, in its sole discretion, if the Green Bank determines that it is in the interest of the Green Bank.

3. The Green Bank reserves the right to seek clarification from any proposer regarding its submission and may do so without notification to any other proposer.

4. The Green Bank reserves the right, at its own cost and expense, to perform a complete financial review as well as an on-site investigation of any proposer’s facilities to ensure it is capable of meeting the demands of the Green Bank and the responsibilities identified in this RFQ.

5. The Green Bank further reserves the right to make awards under this RFQ without discussion of the proposals received. Proposals should be submitted on the most favorable terms from a technical, qualifications, and price standpoint. The Green Bank reserves the right not to accept the lowest priced proposal in its sole and absolute discretion.

6. Proposals must be signed by an authorized officer of the potential LMI Incentive Contractor. Proposals must also provide name, title, physical and e-mail address, and telephone number for individuals with authority to negotiate and contractually bind potential LMI Incentive Contractor, and for those who may be contacted for the purpose of clarifying or supporting the information provided in the proposal.

7. The Green Bank will not be responsible for any expenses incurred by any proposer in conjunction with the preparation or presentation of any proposal with respect to this RFQ, and no proposal materials will be returned.

8. The Green Bank’s selection of one or more LMI Incentive Contractors through this RFQ and it is not an offer and the Green Bank reserves the right to continue negotiations with the selected LMI Incentive Contractor(s) until the parties reach a mutual agreement.

9. LMI Incentive Contractor will execute all required state contracting forms as set forth in the attached Exhibit A. The state contracting forms and requirements change based upon the value of the contract. For example, if the value of the contract is less than $5,000,000, less stringent forms will be required.

Proposals will be evaluated on the following criteria:

1. **Achievement of RSIP Goals** – will the potential LMI Incentive Contractor be a significant contributor to successful achievement of the Green Bank’s goals in residential solar (i.e., deploying 300MW of residential solar PV by 2022, providing economically attractive financing options, opening up access to solar for credit challenged demographics, offering reliable service/support options, etc.)?

2. **Program Requirements** – has the proposer accepted the program requirements and approach without major exceptions?

3. **Relevant Residential Experience** – will the potential LMI Incentive Contractor assist with the development and operationalization of effective residential solar financing programs in Connecticut? Is the potential LMI Incentive Contractor willing to work with the Green Bank for more than a one-year term to continue to develop this market?
4. **Residential Solar Financing Experience** – has the potential LMI Incentive Contractor demonstrated that it has the experience and expertise to perform the requested tasks?

5. **Program Enhancements** – does the potential LMI Incentive Contractor proposal offer additional elements to enhance the program?

THE GREEN BANK SHALL HAVE NO LIABILITY OR OBLIGATION OF ANY SORT HEREUNDER, INCLUDING, WITHOUT LIMITATION, IF FOR ANY REASON OR NO REASON A BINDING AGREEMENT IS NOT ENTERED INTO WITH ANY PROPOSER. IN MAKING ITS SELECTION OF A SUCCESSFUL BIDDER, THE GREEN BANK MAY CONSIDER ANY AND ALL FACTORS AND CONSIDERATIONS WHICH THE GREEN BANK, IN ITS SOLE DISCRETION, DEEMS RELEVANT, THE RELATIVE IMPORTANCE OF WHICH SHALL BE IN THE SOLE DISCRETION OF THE GREEN BANK.

On and after January 1, 2011, no state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor, with regard to a state contract or state contract solicitation with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall knowingly solicit contributions from the state contractor's or prospective state contractor's employees or from a subcontractor or principals of the subcontractor on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.
Duty to Inform

State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

Penalties for Violations

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil penalties—$2000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of $2000 or twice the amount of the prohibited contributions made by their principals.

Criminal penalties—Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or $5000 in fines, or both.

Contract Consequences

Contributions made or solicited in violation of the above prohibitions may result, in the case of a state contractor, in the contract being voided.

Contributions made or solicited in violation of the above prohibitions, in the case of a prospective state contractor, shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State will not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.
